

Great Lakes Sonex Fly In

Saturday , June 28 2014

The agenda has been set and we are looking forward to another great fly-in event at

Bolingbrook's Clow International Airport 1C5 <http://bbclowairport.com/>

This year's agenda

Bob Meyer – Using the Enigma to collect flight data & what to do with it.

Robbie Culver – Building a Sonex using sub kits

Dave Otero – Metals

Robbie Culver – Sonex Foundation update

Group discussion – The control panel

Go out to the flight line to see the planes flown in for the event.

Registration begins 8:00 AM

First presentation starts 9:00 AM

Lunch break – Charlie's Restaurant (we break for approximately 1 hour, separate checks please)

Concludes approximately 3:00 PM

Group discussion – please send aleidukas@comcast.net a picture of your control panel or schematic of the panel you are planning to assemble so that we can project them up on the screen during the discussion.

RSVP by June 14th to help us plan for the number attending to

Al Eidukas - greatlakessonex@gmail.com and CC aleidukas@comcast.net or call (708) 638—8221

This event is about builders, pilots, and aviation enthusiasts getting together for a relaxed fun day sharing their experiences.

Sponsored by the Illinois Aviation Museum <http://www.illinoisaviationmuseum.org/> and hosted by EAA Chapter 461 <http://461.eaachapter.org/>

Check out this link the Sonex Fly By <http://www.youtube.com/watch?v=VEcP4bk4wAY>

We look forward to seeing you there!

Al
